Sufficient roughage of good quality is a necessity for a healthy digestive system. HAVENS Fibre Dice with apple is ideal for all breeds as a healthy treat or to supplement or upgrade the roughage consumption. The very tasty nuggets are composed of timothy chaff, alfalfa, dried apple bits and apple aroma.

SPECIAL CHARACTERISTICS

- Extra large chunks for maximum structure; plenty to chew on.
- Constant, high quality.
- Low in starch and sugar and without the addition of molasses or cereals.
- Dried with hot air; free of dust and mold.
- Very tasty; ideal for fussy feeders.

FEEDING GUIDELINES:

As 100% forage replacer: approx. 1.5 kg per 100 kg body-weight per day. To upgrade the roughage intake: 1 kg of HAVENS Fibre Dice replaces 1 kg of hay.
